[REDACTED]

1. Nuci Kotta returned to New York a few days after the arrival of Hasan Dosti to take part in talks on enlarging the Committee for Free Albania.* Kotta is said to be supporting the admission of the EKI to the Committee for Free Albania, but is encountering the opposition of Hasan Dosti and of Zef Falet; the latter two reiterate their old accusations of collaborationism, and claim that admission of EKI would result in a loss of prestige by the Committee for Free Albania, and that, in addition to the loss of many of its adherents, the Committee for Free Albania would be attacked harshly by the propaganda of the present Albanian regime.

25X1A 2. [REDACTED] the Committee for Free Albania would be enlarged in the near future, and added that this would probably defeat the mission of General Prenk Pervizi who, representing Albanian refugees in Greece, arrived from Athens to take part in conversations with Albanian exiles in Rome.**

25X1A 3. Discussions between Hasan Dosti and Ali Klissura have led to no concrete results, and [REDACTED] there are any prospects for the repair of the schism in the Balli Kombetar.*** Source believes that the left wing of Hasan Dosti and the right wing of Ali Klissura do not intend to be reconciled, thus retarding the reorganization of the Balli Kombetar.****

25X1A [REDACTED] Comment: Previous information indicates that Nuci Kotta arrived in New York on 15 December 1950.

25X1A ** [REDACTED] Comment: See [REDACTED] for report of Pervizi's arrival. 25X1A

25X1A *** [REDACTED] Comment: See [REDACTED], in which Klissura even more recently continues to display his strong feeling against Dosti. 25X1A

25X1A *** [REDACTED] Comment: See [REDACTED], which reports the hope for reorganization voiced by Dosti. 25X1A
